

# Annual Work Plan for OOI Program Year II

- Budget total unchanged from Program Year I (PYI).
- Relative to 2017 proposal, 2.5% budget reduction to Marine Implementing Organizations (MIOs) to support Cyberinfrastructure (CI) improvements continues (as in PYI).
- 2.5% budget reductions for each MIO were described during the presentations by the PIs.
- Details of the CI improvements, addressed in depth during the DDCl portion of the meeting, include:
  - Mission-critical enhancements reviewed by the PI Team
  - Bug fixes
  - Support
