

1035 – 1135

OOI Science Plan

- Brainstorm on strategies for updating the Science Plan:
 - Do the science themes of the 2007 Science Plan (*A Closer Look*) still apply? Is anything missing.
 - OOI infrastructure update is needed to reflect what has actually been installed and is operational
 - Identify exciting science using OOI data:
 - Warm blob
 - Axial Seamount eruptions
 - Pioneer – LTER
 - Others?
 - Timeline
