Acknowledgment

We acknowledge that we are holding the meeting in Indian Country. That the land, rivers and ocean we discuss at this meeting were and continue to be part of the cultural fabric of many tribal nations.

Day 1 - Tuesday, June 7, 2022

Goal of Day 1:

- Learn about the latest status of the OOI Program, OOI assets in the NE Pacific and OOI data access tools.
- Gain hands-on experience accessing OOI data.
