# NSF Updates for the (long-awaited!) OOIFB NE Pacific Workshop

June 2022

# NSF “Team”

- “Program Directors” Bob Houtman and Lisa Clough (actually Section Heads)- soon to have a permanent OOI PD...
- Science Analyst- Lindsay Martin
- Ad Hoc Group internal to NSF- 1 per science program, plus several additional from IPS program
- Arnaldo there with you in person!

# NSF commitment to OOI

- Climate scale observations (funding permitting)- 30 years?
  - OOI 1.0 to OOI 2.0 (2.5)
  - Pioneer Array move
- LARGE additional infrastructure support
- Commitment to OOIIFB too

# NSF commitment to NE Pacific

- Bring together new teams
- Foster Interdisciplinary Approaches
- Open and very interactive process

# Broader Context

Ocean Observations everywhere...

- Ocean Obs '19
- UN Decade of Ocean Science for Sustainable Development
- Climate Change as Pillars for NSF, current administration (missing millions too)
- Science Diplomacy???
