Goals for Meeting

Identifying priorities for future DSC activities and focus areas

In the process we will:

- hear from Jeff Glatstein and the OOI program 
- discuss and finish up the survey report 
- revisit our 2021 annual report 
- hear talks from two experts in the world of ocean data science 
- brainstorming session 

Throughout, please be thinking about 1) recommendations you would like to see in our annual report, and 2) next areas of focus for the committee.
