- 1305 Pioneer Array Relocation Update – Al Plueddemann (WHOI)
Pioneer Array Community Workshop (September 2024)
- 1315 Interactive panel discussion: *Enhancing your Science with OOI Data: A Community Discussion about Maximizing OOI Data Use*
Facilitator: Kendra Daly, University South Florida
Panelists:
Chris Edwards, OOIFB/University of California Santa Cruz
Jim Edson, OOI/Woods Hole Oceanographic Institution
Kristen Fogaren, OOIFB-DSC/Boston College
Denise Bristol, OOI Data Labs/Hillsborough Community College
Deborah Hernandez, Southeast Coastal Ocean Observing Regional Association (SECOORA)
- 1345 End of Town Hall (light refreshments available)

***Enhancing your Science with OOI Data:
A Community Discussion about Maximizing OOI Data Use***

The goal of this community-focused conversation is to discuss how current OOI data access and usage can be refined and/or expanded to better meet research and education goals. Do you have questions and/or input about OOI data access? Have you hit any roadblocks or are there preferred data products missing? Please respond using the link and/or QR below.
